HOBBIES

I am a keen sportsman, regularly playing football, basketball and athletics. I am also an accomplished musician, having played the piano, saxophone and violin

PROFILE

My name is Imed El Malki and I am a student in international trade. I am a young man who is curious and eager to discover new professional horizons. I am passionate about arts and technologies, and I have a great ease in communication jobs. I had the chance to work in several different professional fields, which allowed me to acquire a solid capacity of adaptation and a great versatility. My ambition is to continue my studies and develop my skills to excel in my professional field.

EXPERIENCE

Sound engineer, 11/2021 - At present
Studio 22 - Marseille

- Producing high quality recordings for musical artists, using the latest technology and most advanced techniques.
- Mixing and mastering of recordings to create a professional music production.

Community manager, 01/2021 - 10/2022
CaminoTV - Paris

- Managing the brand's social media accounts including Facebook, Twitter, Instagram and TikTok.
- Interacting with subscribers and customers on social media, answering questions, handling comments and complaints, and providing quality customer service.
- Creating engaging content for social networks, in line with the brand strategy and using the latest trends and best practices in social media.

Journalism intern, 03/2022 - 05/2022
La Provence - Marseille - Internship

- Researching information and gathering data for the writing of reports and articles for the TV channel.
- Writing articles for the newspaper's website, respecting editorial standards and quality.
- Participation in interviews with news sources, including politicians, experts and eyewitnesses.

Animator, 05/2021 - 08/2021
Marina Plage Camping - Rognac

- Welcoming children and their families to the campsite, establishing dialogue and trust.
- Promoting the activities to campers using different communication channels, including posters, announcements, social networks and face-to-face discussions.

EDUCATION AND QUALIFICATIONS

Baccalaureate : Economic and Social, 2019-2020
Jean Monnet High School - Vitrolles, France, Good Grade

2021 - 2022

for many years. My interest in astronomy has allowed me to develop a broader view of the world around me. I am involved in voluntary activities, including outreach work to help those in need, which has enhanced my sensitivity and sense of social responsibility.
